ARCHITECTURE EDUCATION ASSOCIATION, AWARDS FOR
ARCHITECTURE STUDENT

1. INSTITUTION

This competition is organized annually by Architecture Education Association [ArchED, "MimED" in Turkish]. 21th ArchED2023 Project Awards for Architecture Students" includes projects carried out in architectural design studios of "2022-2023 fall", "2022-2023 spring" and "2022-2023 summer" semesters by **undergraduate students of architecture, registered to the departments of architecture, faculties of architecture.** Projects carried out in summer internships are not accepted for evaluation.

2. TYPE OF THE COMPETITION

This competition is a national student competition **open to undergraduate students of architecture, registered to the departments of architecture, faculties of architecture** and is conducted in **two phases, a digital pre-selection and an online jury evaluation.**

In the first phase, the projects uploaded to the competition website [www.mimedprojects.com] will be evaluated digitally by the competition jury in successive rounds of digital pre-selection. In the second phase, conducted as an online jury evaluation session, only the selected projects of the digital pre-selection phase will be evaluated by the jury competition.

3. TERMS AND CONDITIONS

> This competition is open to all **undergraduate students of architecture, registered to the department of architecture, faculty of architecture** in Republic of Turkey and Turkish Republic of Northern Cyprus.

> This competition consists of four categories; "First Year" "Second Year", "Third Year" and "Fourth Year". Students can participate with projects carried out in architectural design studios, either individually or as a group (max. 3 people), of "2022-2023 fall", "2022-2023 spring" and "2022-2023 summer" semesters.

Diploma, 8th semester, etc. projects are not included in the Fourth Year category.

> Students can participate in the competition with more than one project. For each project submitted, a separate participation fee must be deposited. If the project is carried out by a group of students, it is sufficient that one participation fee is deposited by one of the students.

4. ANNOUNCEMENT OF THE COMPETITION

This competition is announced via www.mimed.org.tr. In addition, the announcement poster is sent via email to the department secretariats of all schools of architecture in Republic of Turkey and Turkish Republic of Northern Cyprus for further announcement.

7. PRIVACY POLICY

- > All the registrations on the competition website and the identity information are confidential.
- > During the digital and online phases, all the identity information will be confidential and projects will be evaluated this way.
- > Rapporteurs will cover the identity codes given automatically by the competition website and will give a new number to each submitted project according to its category and jury members will evaluate the projects only with these numbers.
- > Following the completion of jury evaluations, the identity tags will be opened and award winners will be revealed.
- > All the projects which will succeed in digital pre-selection will be exhibited at the online exhibition just after the competition results in colloquium. If any project owner prefers to keep his/her identity secret **in case of not being awarded**, this must be indicated in the competition website as “Don't reveal my identity” (Kimliğim Açıklanmasın).

8. DIGITAL PRE-SELECTION

- * For the registration and project submission, **please see diagram at the pages 6-7.**
- > Participants must register to the competition website [www.mimedprojects.com] to upload their projects. The website will automatically give a project code according to the year category. **If project boards and images have**

any kind of information about the names of students, project instructors or schools etc.; the project will be disqualified.

- > Participants who would like to participate with more than one project, have to register for each project separately. The same name and surname can be used for each registration, but **different email addresses must be used** for each registration. The system recognizes participants according to their e-mail addresses. Because of the fact that these email addresses are used for communication, participants are responsible for using a valid email address and responsible for **checking their spam and junk folders frequently.**
- > Projects which have been carried out as group work must be indicated as “Group/Team Work” (Takım). After the information of the responsible student has been entered, the information of the rest of students must be entered to the “Group Members” (Ekip Üyeleri) section on the right. The information of the project instructor **must NOT be entered** in this section.
- > The checkbox which indicates that 4th year projects [Category 4] are **NOT** graduation, diploma, 8th semester etc. projects must be marked.
- > Participants will upload their projects in JPG format to the “Project Visuals” (Proje Görseli) section. Maximum 2 boards can be uploaded. For projects with 2 boards, **participants must first upload their first board and control it by previewing; then must upload the second board.** Each board can be a **maximum of 10 MB.** Participants are responsible for uploading correct visuals.
- > A text describing the area, theme, content and design concept of the project with 200 words in Turkish and 200 words in English must be written into the correct section in the website.
- > Participants must indicate the name and e-mail address of the project instructor in the registration page. Uploaded projects will be sent to their instructors for confirmation. Thus, email addresses must be up-to-date. After the confirmation of projects, an automatic message for confirmation and payment will be sent to participants. Participants will pay the

competition fee **75TL** according to information in the message. In the case of participating with more than one project, separate fees must be paid for each project.

> Competition fees are checked separately through the bank account of the Association. Because of this fact, notification messages are not sent immediately; participants get confirmed and noticed just after the control of bank account activities. **Digital submissions will end on November 6, 2023. Payments will be confirmed in 3 days after November 8, 2023 which is the final date for project instructors to confirm projects and for participants to pay the competition fee.**

> The evaluation of projects for digital pre-selection will be realized by the ArchED2023 jury through the competition website. **The deadline for project submission is November 6, 2023, 23:59.** Results of digital pre-selection will be announced on December 4, 2023 and will be sent to participants via email.

> Projects that are qualified from pre-selection can be submitted individually at submission place or can be sent via post [the date for the project to be submitted to post office [deadline: December 11, 2023] will be taken into account.] Exhibition organization for evaluation will be completed in December 15, 2023. Projects sent by post must arrive before this date.

> The projects to be submitted must be the same as those uploaded to the competition website; Absolutely no corrections / changes / additions are accepted.

> Only printed projects are accepted for the second stage of the competition. **Please do not send physical models.** You can add images of your models to your project sheets.

9. DIGITAL SUBMISSION FORMAT

Project boards which will be uploaded to the competition website for digital pre-selections are called "Project Visual". Specifications of these boards are below:

> Maximum 2 boards can be uploaded for each project.

> Boards must be in **A1 portrait size** [59,4 cm. X 84,1 cm.], in **JPG format** and **maximum 10MB**. Resolution for boards must be **min. of 150 dpi**.

> The project text written in Turkish and English as 200 words each, must be placed into a 10 cm. strip on the bottom of the first project board. **Any information that reveals the identity of student such as name, university, project instructor etc. must NOT be included in boards and in text.**

> There is not any restriction for representation techniques of the projects.

10. SUBMISSION LIST

Printed Project Boards

Features of the project boards that passed the pre-selection and will be sent in print:

> In terms of ease of displaying the projects, maximum 2 pieces of A1 [59,4cm. X 84,1cm.] will be presented on a hard-floored [thick cardboard, photoblock, corrugated cardboard, etc.] board [gluing, printing, etc.].

> These panel[s] will be designed to be displayed vertically [portrait]. It should also be taken into account that they can be exhibited side by side or one under the other, depending on the display status of the boards. A drawing/picture etc. should not be split into two boards.

> Each project board must include a 2 cm. strip on the top of them. On the right corner of the strip, there must be a box with 1x6 cm dimensions, which includes the project code that will be given by the website. The title "MimED2023" and the information of year category must be placed into the left corner of this strip. The information of year categories will be as 'MimED2023 I kategori: 1.yil', 'MimED2023 I kategori: 2.yil', 'MimED2023 I kategori: 3.yil' or 'MimED2023 I kategori: 4.yil'.
